

ASQ kit supplies:

Birth -3

- A selection of infant toys including baby rattle that can easily be grasped, brightly colored toy attached to a piece of yarn, chew toys, etc.
- Cheerios or other small items that are safe to eat
- Small colored blocks 6-10
- Mirror- (these might be available at the Center). A smaller baby mirror will also work.
- Small clear bottle with item in it, can be water bottle or some item that has a screw on lid with a larger opening
- Smaller soft ball, easy for throwing, tennis ball and smaller playground ball for kicking
- Small box or container
- Small doll or stuffed animal
- Paper and crayons
- Tool to reach for items- i.e. popsicle stick or unsharpened pencil
- Book with cardboard or other easy to turn pages, books with familiar objects (available at Center but it is easier to have familiar books). Picture cards will work for familiar objects as well.
- Stringing beads
- Doll stroller or other push toy, (available at center)
